

NRRC *PayPal*[™] Tutorial

The following is a brief tutorial of the NRRC PayPal Shopping Cart

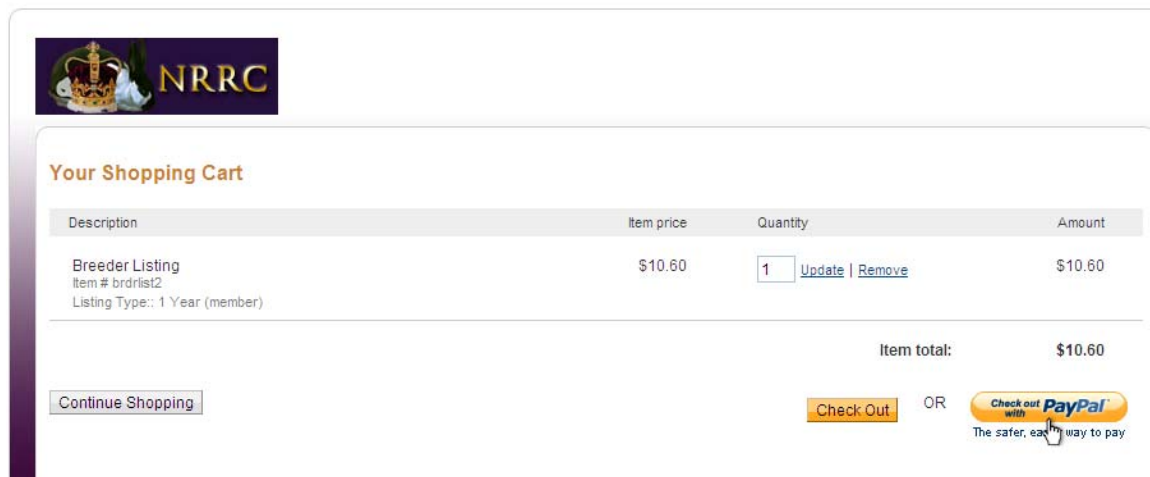

In this example, we are purchasing a single 1 year breeder listing...

STEP 1

After selecting the correct Listing type, click the 'Add to Cart' button.

STEP 2

Now you are taken to the PayPal[™] Checkout page. You can choose to check out using PayPal or you can check out conventionally. I'm using PayPal here, but the essentials will be the same. (Also note that if you choose, you can continue shopping and add more items to your cart.)

STEP 3

The screenshot shows the checkout process. On the left is the 'Your order summary' section with the NRRC logo. It lists a 'Breeder Listing' for \$10.60. On the right is the 'Review your information' section. It includes a 'Welcome back, Charlie!' message, shipping address (Charlcie, 700 Iowa Park, United States), and payment method (TEXOMA COMMUNITY CRED UN Bank). A red arrow points to the 'Add' link under 'Contact info, varieties, website, etc.'.
